METROPOLITAN WASHINGTON COUNCIL OF GOVERNMENTS

INTRODUCTION

This directory lists ridesharing, bus and rail services, telework centers, park-and-ride information, and other transportation services, facilities and organizations for the metropolitan Washington and Baltimore regions. This directory is published by the Metropolitan Washington Council of Governments **COMMUTER CONNECTIONS** program. It is updated twice a year. The information in this directory can also be found at the **COMMUTER CONNECTIONS** web site, **www.commuterconnections.org**.

Since 1974, **COMMUTER CONNECTIONS** (formerly the Ride Finders Network and formerly the Commuter Club) has been providing free information and computer matching services to area residents and workers seeking to join carpools or vanpools, or locate appropriate transit arrangements. Currently, the **COMMUTER CONNECTIONS** Commuter Operations Center unites into a computer network, the ridesharing programs operated by: the Metropolitan Washington Council of Governments, Annapolis Regional Transportation Management Association (ARTMA), Baltimore City, Baltimore Metropolitan Council, Bethesda Transportation Solutions, BWI Business Partnership, City of Alexandria, Food and Drug Administration (FDA), Fairfax County, Frederick County (MD), Harford County, Howard County, LINK-Reston Transportation Management Association, Loudoun County, Maryland Transit Administration, Montgomery County, National Institutes of Health (NIH), North Bethesda Transportation Center, Northern Neck Planning District Commission, Northern Shenandoah Valley Regional Commission, Potomac and Rappahannock Regional Commission, Prince George's County, Rappahannock Area Development Commission, Rappahannock-Rapidan Regional Commission, and Tri-County Council for Southern Maryland.

The agencies in this network share resources and a single common database of applicants for the purpose of providing the best services to commuters. **COMMUTER CONNECTIONS** is funded through grants from the District. Department of Transportation, the Maryland Department of Transportation, the Virginia Department of Transportation, and the Federal Highway Administration of the U.S. Department of Transportation.

Eligible vanpools may receive financial assistance during the first 12 months of operation, not to exceed the following limits:

| <u>Total vanpool seats (including driver)</u> | <u>Months 1 – 6</u> | <u>Months 7 – 12</u> |
|---|-------------------------|--------------------------|
| 15 | \$500 | \$300 |
| 8 | \$300 | \$175 |

For more information, call Dotty Dalphon Transit Services of Frederick County at 301-600-3543 or e-mail ddalphon@fredco-md.net

PRINCE GEORGE'S COUNTY

VANPOOL INCENTIVE PROGRAMS

VIRGINIA

The VanSave and VanStart programs are funded through Virginia rideshare agencies. The VanStart program provides financial assistance on a temporary basis to new vanpools starting to build ridership. The VanSave program provides temporary assistance to vanpools experiencing unexpected emergency loss of ridership that threatens the survival of the ridesharing arrangement.

Call Commuter Connections at 1-800-745-RIDE or your local ridesharing office for more information.

PRINCE WILLIAM COUNTY

POTOMAC & RAPPAHANNOCK TRANSPORTATION COMMISSION (PRTC)

Personal Property Tax Relief for vans used for ridesharing purposes is offered to Prince William County residents. This encourages van owners to keep rates competitive with other modes and to purchase new vans more often.

PRTC also participates in the Van Save/Van Start Program as well as Metrochek reimbursement for vanpools.

Call the Customer Service Office at Potomac and Rappahannock Transportation Commission at 1-888-730-6664 for more information.

For more information, call Clinton Wade at 703-580-6130 or e-mail cwade@omniride.com.
